

20:01:02 From LM : Hi

20:01:19 From EL : Hi everyone

20:01:20 From DH : Can't here you Carrie

20:01:29 From SP : Hello ;)

20:01:32 From KH : I can

20:01:40 From NM : Hello

20:01:58 From Carrie : Have you turned up your volume, DH

20:02:28 From MW : good morning everyone

20:02:35 From DH : Yes, aok now, thanks

20:05:11 From LM : Maybe it is your shadow Peter

20:07:34 From KH : This is possible if you connect from two different devices.

20:07:40 From SP : Going through Module 6 currently

20:07:56 From AL : from Belgium and did 4 modules. and i am blocked to move further ....  
just the tihing i was afreid of ....

20:08:04 From SP : My mom is the one who is stuck

20:08:17 From EL : I've just started UHC part 2, practising candali 3

20:08:24 From LM : Second time around. Still feel like I am clearing really basic things. Very  
frustrating.

20:09:05 From LM : Yes I would like a hot seat

20:09:10 From AL : does the course stay available?

20:09:16 From SP : She bought it last year but she is not in this group, I was hoping me taking  
it would motivate her finishing it finally so she could join me for ultimate healing 2 together, we'll  
see I guess

20:10:36 From AL : hot seat on blockage / how to move on ....?

20:10:50 From DM : still way back in course.. was hoping to do point holding, but wont be  
done by then for sure

20:11:34 From SP : LOL

20:14:18 From Admin : <https://www.azizshamanism.com/ultimate-healing-part-2-body-electronics-online/>

20:15:31 From SP : So if my Mom wanted to join UH2 she has to at least get to Candali Level  
2? Even though if she hasn't learned to dis-create anything or done much power taking or shame  
releasing?

20:15:48 From Admin : We leave the mics on so you can ask for support or share what's  
going on during your session.

20:18:33 From DM : will we know how to find the points even after the video of peter is deleted ?

20:18:34 From SP : Are the 17 additional attunements do at your own time like the Candali or do we have to be live in class to receive them?

20:19:05 From DH : I'm only up to File 7 (rage) I've moved house 3 times since April and having difficulty getting down to study although I got caught up with the Faerie an Dragon course that I found really exciting but also confusing due going back and forth between the courses. So I will now stay with UH to completion.

20:20:54 From SP : Is there an Early Bird price for UH2 as well?

20:21:12 From SP : Wonderful, thank you

20:21:21 From EL : When you miss a session off UHC2 are there recordings too?

20:21:22 From DM : you said you have to have completed part 1 ?!

20:22:49 From SN : I might be up for shadow work (off camera) in the hot seat. Not sure!

20:23:10 From Admin : Also AL for a hotseat

20:23:24 From DM : can i ask... i find so many mantras etc really difficult to do .. we will get a whole lot more?

20:26:55 From AL : so shadow = mirrorwork?

20:27:36 From Carrie : who has attempted the shadow work yet? What has been your experience?

20:39:54 From EL : I did it 3 times to feel it better. Did exchange a lot of gifts. But i dont know what they symbolizes. But thats totally fine with me.

20:41:22 From SN : Wonderful AL thank you for sharing.

20:41:42 From EL : and i really liked the hotseats. They have helped me to recognize better when releasing things when im alone.

20:41:59 From DH : Thank you AL that very poignant

20:42:08 From Carrie : yes, the hot seats are POWERFUL!

20:42:39 From EL : Thank you AL! It resonates with me

20:50:10 From AL : thank you all for the support !

20:53:02 From Carrie : you're welcome AL

20:55:04 From SN : I can really relate to what you said LM, similar issues myself. Thank you for sharing.

21:04:55 From EL : Thank you LM

21:25:50 From SP : If one buys UH2 early, is the length one should stay on a level of Candali the same as Level 1 and 2, a week at each level at least?

21:25:59 From LM : Thank you very much

21:26:07 From EL : I had a question on the email

21:29:52 From DM : its the time spent having to do so many mantras

21:30:18 From EL : How do you find your sanskrit name? Is that neccasairy for chandali ...?

21:30:31 From DM : so many of them

21:30:45 From Carrie : no EL, not necessary

21:32:06 From DH : Isit also ok if I get the pronunciation wrong

21:33:18 From GU : Thank you!

21:33:27 From SP : Thank you

21:33:32 From SN : REally enjoyed this session, thank you

21:33:41 From EL : Thank you !

21:33:42 From HJ : Thank you
